## **Orange Crème Caramel**

Serves: 6 people

User Rating: ★★★☆☆

Publication: 4 October 2013
Categories: Desserts, Vegetarian

## **Ingredients**

- ½ cup caster sugar
- ¼ cup water
- 3 cups milk
- 2 teaspoons finely grated orange rind
- 1/3 cup sugar, extra
- 4 eggs
- Sliced strawberries, to top

## **Method**

- 1. Preheat the oven to 160°C and lightly oil six ¾ cup capacity ramekins. Line a baking dish with a tea towel folded into four, and stand the ramekins on it.
- 2. Combine the sugar and water in a small saucepan, and stir over low heat without boiling until the sugar has dissolved.
- 3. Increase the heat to medium and bring to the boil. Cook, without stirring, for about 8 minutes, until dark golden brown. Pour into the base of each ramekin (be careful as the caramel is very hot). Leave to cool and set.
- 4. Place the milk and orange rind into a saucepan, and heat until almost boiling. Whisk the eggs and extra sugar together in a bowl, and slowly add the hot milk, whisking constantly. Stand for 5 minutes, then strain into a jug.
- 5. Pour into the ramekins. Place into the oven, and pour enough boiling water into the baking dish to come half way up the sides of the ramekins
- 6. Bake for 35 minutes, until set. It will still have a slight wobble. Cool, then remove the ramekins from the dish and chill for 8 hours, or overnight.
- 7. To serve, run a knife around the custard, and invert onto a plate. Serve with sliced strawberries.
