Ingredients

4 fried eggs

2 x 120g packs ramen noodles

½ cup frozen peas

100g red capsicum, chopped

2 tablespoons soy sauce

1 teaspoon sesame oil

3 green onions, sliced

Method

Cook the ramen noodles according to packet instructions. Two minutes before draining, add the peas and capsicum and continue simmering with the noodles, then drain, reserving one tablespoon cooking liquid and return to the pan.

To serve, toss the combined soy, sesame oil and cooking liquid through the noodles along with the green onions and divide between bowls. Serve topped with fried eggs and a sprinkle of dried chilli if desired.
