## Ingredients

- 500g Korean rice cakes (soaked in water for 20 mins)
- 2 1/2 cups vegetable stock
- 1 heaped tbsp gochujang chilli paste
- 1 tsp miso paste
- 1/2 tbsp crushed red chilli flakes
- 1 tbsp raw sugar
- 3 spring onions, cut into batons
- 2 boiled eggs
- 1 tsp toasted sesame seeds
- Drizzle of toasted sesame oil

## Method

- 1. Place the vegetable stock in a large frypan and bring to the boil.
- 2. While the stock is coming to the boil, in a small bowl, combine the gochujang, miso paste, crushed red chilli flakes and raw sugar together until well combined.
- 3. Drain the Korean rice cakes and add to the boiling stock. Stir in the chilli paste mix until evenly distributed and cook on medium-high heat for 10 minutes.
- 4. After 10 minutes, sauce should be thickening. Add in the spring onions and boiled eggs and cook for a further 5 minutes until the rice cakes have softened and the sauce is thick.
- 5. Place into a serving dish and sprinkle with toasted sesame seeds and a drizzle of toasted sesame oil. Enjoy!
